A Message From Our Founder

Violence is when we use actions or words that can hurt others and make them feel sad or scared. One way we can avoid violence is to think about how our actions will make others feel. Is this something that will cause me or another friend pain, grief or hurt? Or will this cause Joy, excitement or happiness? Think before you act. Remind your friends, parents and loved ones to be kind.

In this lesson, we will identify various types of violence and the impact this violence will have on others.

*Have you witnessed acts of violence? **Crisis lines are available at textpledge.us***

SAFETY STEPS

Gun violence is when people use guns to hurt others, and it's very unsafe. It is important to remember that using guns is not a good way to solve problems. Instead, we should talk to each other and find peaceful ways to solve disagreements. If you ever see a gun, don't touch it, and tell a grown-up you trust. Staying safe and being kind to each other is the best way to improve the world.

Reveal a safety message.

Run, Hide, Fight

In our previous activity we decoded a safety message. That message was “**RUN, HIDE, FIGHT**”. What does this safety message mean?

"Run, hide, fight" is a safety strategy that helps people know what to do if there is a dangerous situation where someone trying to hurt others.

1. **Run:** If there is a safe way to escape, you should run away as fast as you can. Find an exit or a way out of the dangerous place and go to a place where you can be safe.
1. **Hide:** If you can't run away safely, find a place to hide. It should be a spot where the person causing the danger can't see you. Stay quiet and don't make any noise so they won't know where you are.
1. **Fight:** If you can't run or hide, and the dangerous person is very close to you, you might need to fight to protect yourself. This means trying to defend yourself and others around you.

Remember, it's really important to listen to adults, like teachers or other grown-ups, if they tell you what to do in these situations. They are there to keep you safe.

Safe and Happy Homes
