A Message From Our Founder

Greetings friends,

We are here to raise awareness for animal rights. Animals have feelings too, just like us. When we care about animal rights, we're making sure they get food, water, and the love they deserve. Think about your pets at home or the animals you see at the zoo—they all want to be happy and free.

You can help make sure animals have a good life, free from harm. In this lesson you will learn about animal characteristics and explore how to make a positive impact on their lives.

If you know of an animal that is being neglected or abused, please talk to a parent or counselor and get in touch with your local animal control or shelter.

***Helplines are always available at TextPledge.us
Or at the Text Pledge App***

Happy Learning!

Ms. Naomi
Founder at the TextPledge Project
