A Message From Our Founder

Greetings friends,

We are here to raise awareness for distracted driving. Distracted driving is not safe. Are you paying attention to traffic and the drivers behind the wheel? Passengers play an important role that help keep drivers and everyone safe. In this lesson we will identify things that might distract drivers. Remember, if you see a driver using their phone, remind them to put it away. Let's all work together to keep the roads, drivers, and passengers as safe as possible.

***Crisis lines are always available at [TextPledge.us](https://www.textpledge.us)
As well as on the Text Pledge App.***

Happy Learning!

Ms. Naomi
Founder at the TextPledge Project
