A Message From Our Founder

People come with their own shapes, colors, backgrounds and beliefs.

Discrimination happens when someone is treated differently because of how they look, how they act, or what they believe. The world is not free from discrimination. Compassion and empathy is lacking in today's world. When something this basic is in short supply, it becomes extremely valuable.

In this lesson, we will explore the topic of discrimination and identify behaviors that challenge it.

Crisis lines are always available at [TextPledge.us](https://www.textpledge.us)

Happy Learning!

Ms. Naomi
Founder at the TextPledge Project
